

MT-ALUCASE

Aluminum Data Logger Briefcase

Features

- Durable Aluminum Frame
- Pick and Pluck Foam Insert
- Key Latches (2)
- Reinforced Corners
- Ergonomically Upholstered Handle

Benefits

- Lightweight
- Durable
- Multi-purpose Customizable Inserts

Applications

- Data Logger Storage
- Data Logger Protection
- Transporting Devices & Equipment

The MT-AluCase is a high quality, multi-purpose briefcase, designed for the protection, transport and storage of data loggers, equipment and accessories. These durable aluminum cases include pick and pluck foam inserts, allowing the user to customize a snug fit and secure any combination of products. The briefcase frame is strong yet surprisingly light weight with a comfortable ergonomically upholstered handle. The MT-AluCase is available in two sizes, a compact 14 inch width and large 18 inch width option, both featuring an egg crate foam lined lid and keyed locks.
